Sir:

The references cited on the attached form PTO/SB/08A-B are being called to the attention of the Examiner. Copies of the cited references – except copies of the cited U.S. patents and published U.S. patent applications – are enclosed. As provided in 37 CFR § 1.98, copies of cited U.S. patents and published U.S. patent applications need not be provided.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the “references cited” on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no

representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicants believe that no fee is due, as this Information Disclosure Statement is being filed before the mailing date of the first Office Action on the merits. However, in the event the Office determines that any fees are due, please deduct such fees from the undersigned's Deposit Account No. 50-0990. Please deduct any additional fees from or credit any overpayment to the above-noted Deposit Account.

Respectfully submitted,
